**A  
Warm  
Welcome  
Awaits  
You!**

Mr. Cyrus Eaton, Chairman of the Board of the Chesapeake & Ohio Railway and owner of Acadia Farms.  
Your host on May 16th.

All of us associated with Acadia and Deep Cove Farms cordially invite all lovers of good beef cattle to be with us at Northfield, Ohio, on Saturday, May 16, for our 1959 Shorthorn production sale.

In the two years that have passed since our 1957 auction at Acadia, we have continued to concentrate on the production of healthy and good-doing registered Shorthorn breeding stock at both the Ohio and Nova Scotia farms. During this time, our cattle have enjoyed a full measure of success in the show and sale rings of the United States and Canada.

The pedigrees in this catalog will give you a good idea of the bloodlines on which we have built our carefully planned breeding program. In the footnotes, we have followed our usual practice of avoiding fulsome physical descriptions of our sale entries. We would prefer to have you judge individuality for yourselves.

We suggest you plan your trip to Acadia to allow time for a leisurely inspection of the sale cattle, the stock bulls and the breeding herd on Friday, May 15, the day before the sale. We shall hope to have our lilacs, dogwood and other flowering trees in full bloom for the benefit of our lady visitors.

Mr. and Mrs. Cyrus Eaton  
Betty Royon, Vice President  
Dwight Griffith, General Manager  
Don Hutzell, in Charge of Acadia Herd  
Harvey Zinck, in Charge of Deep Cove Herd

## The Place To Buy Champions is Where Champions Are Bred

To the men of means who are in position to search the world for the very best, the purebred livestock industry owes a great debt. Such a man is Cyrus Eaton of Cleveland. A giant in industry, yet a keen student of modern livestock and farming practices, he has brought together the best seed stock available on two continents for the foundation of his great herds at Acadia Farms in Ohio and Deep Cove Farms in Nova Scotia. The many thousands of us who share his belief in the superior merits of Shorthorns are grateful for this source of supply of blends of the world's most improving blood.

This is a very important sale for those who seek to improve the type and quality of their cattle. When Dean Weber, world famous judge of beef cattle, named P S Troubadour as the International grand champion steer over all breeds, he placed the stamp of approval on the Acadia type. Such a momentous decision pointed the way to the Acadia Herd and to this sale as the source of supply for seed stock capable of propagating this type. To meet the challenge, the strongest offering in the history of this famous herd has been provided for the sale to be held at the farm on Saturday, May 16th. The 50 superior individuals in this sale will make it possible for others to travel the path that has brought world wide acclaim to Acadia.

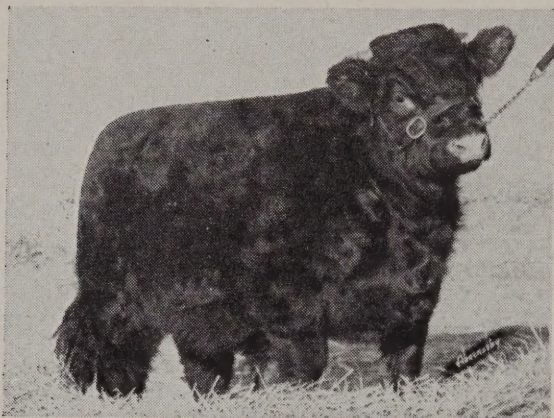

It was a daughter of Calrossie Sportsman carrying the service of Calrossie Troubadour, purchased by Penn State University in the 1955 Acadia Sale that produced the 1956 International grand champion steer. Although these same bloodlines will be found in abundance in this catalog, new lines through the use of the great young Imported sires Kinellar Napoleon and Calrossie Torchlight have added even greater strength to this current sale offering. Those who attend the sale will be quick to note that the type that won supreme honors for P S Troubadour is reflected in the 50 beautiful individuals in this sale.

It was the request of the owners that no animals be described in this catalog since they feel that good cattle judges will prefer to analyze the sale offering for themselves on May 16th. Nevertheless the catalog is very informative. Pictures of nearly all sale animals are displayed and a special effort has been made to point out interesting facts about the breeding. I congratulate the owners on making such a strong sale offering available and venture the prediction that those who buy on May 16th will improve their positions in the industry.

A succession of top sires has resulted in a procession of champions in North American show rings under the banner of Acadia and Deep Cove farms. Pictured here are recent winners among the young cattle by herd sires at Acadia. All of them were bred at Acadia, all but one were shown by Acadia and he was purchased in dam from Acadia. They serve to impress the uniformity of type that has been stamped on Acadia calves and they represent what you may expect in this sale.

Her stallmate, Acadia Butterfly Charm 5th by Calrossie Troubadour, was reserve junior champion at the Royal Winter Fair.

Right: Here is Acadia Troubadour 35th x immediately after he won grand championship at the 1959 National Polled Shorthorn Congress and just before he was purchased at \$1,000 to head the herd of Glen A. and Dean Windom, Lenox, Iowa. Lassie Queen Joanne Mackey is shown presenting the championship ribbon to Miss Betty Royon, vice-president of Acadia Farms. Don Hutzel, in charge of the Acadia Herd, is at the halter.

Left: Stillman Stannard, Illinois Secretary of Agriculture, is shown here presenting the State of Illinois grand championship trophy. Receiving it for Acadia Farms are Miss Betty Royon and Don Hutzel. Betty is a director of the American Shorthorn Association, Secretary of the Ohio Shorthorn Breeders' Association, and a member of the Ohio Shorthorn-Polled Shorthorn Correlating Committee.

During recent years Acadia has assembled a small but very strong herd of Polled Shorthorns. That they are bred right and of the right type is clearly evident by show and sale ring records. The latest was the winning of grand championship at the 1959 Charles J. Lynn Memorial Polled Shorthorn Congress on the sensational bull Acadia Troubadour 35th x. Sired by Calrossie Troubadour, he brings to Polled Shorthorns the blood that resulted in P S Troubadour, greatest beef steer in history and grand champion over all breeds at the International Live Stock Exposition. He is a full brother to Acadia Highland Jubilee x, the bull that is making his mark in the L & L Herd at Dothan, Ala.

## ACADIA FARMS . . .

is the 800-acre property of industrialist Cyrus Eaton at Northfield, Ohio, midway between the great cities of Cleveland and Akron. Mr. Eaton lives at Acadia the year around, and devotes part of every day to farming activities despite the myriad demands of his wide-spread industrial interests.

Mr. Eaton is also the owner of 3,000-acre Deep Cove Farms at Upper Blandford, Nova Scotia, Canada. The Acadia Shorthorn herd numbers more than 300 head, while a smaller herd of approximately 100 head is maintained at Deep Cove.

Acadia Farms is made up of ten

farmsteads. Its 250 acres of blue grass pastureland are divided into 11 pastures, each well-shaded and amply supplied with clear running water from springfed brooks. Three hundred and fifty acres of cropland are under cultivation at Acadia, and the balance of the property is in timberland, much of it virgin forest.

Assisting Mr. Eaton in the operation of his lands and livestock are Miss Betty Royon, Vice President of Acadia and Deep Cove Farms, Dwight Griffith, General Manager of Acadia and Deep Cove, Don Hutzler, Acadia Herdsman, and Harvey Zinck, Deep Cove Herdsman.

### **P. S. TROUBADOUR**

Pennsylvania State University bought a Calrossie Sportsman heifer bred to imported Calrossie Troubadour for \$1,150 in the 1955 Acadia Sale. PS Troubadour, the resultant calf, became the 1956 International Grand Champion Steer over all breeds and brought the record price of \$20.50 a pound for the fabulous total of \$20,397.50 from the Greenbrier Hotel, White Sulphur Springs, West Virginia. Think what a Troubadour calf could do for you !

## **Imported Calrossie Troubadour**

Imported Calrossie Troubadour, sire of champions, has won a lasting place of prominence in the all-time beef cattle hall of fame, hence his record need not be recited here in detail. Most famous of his progeny is his first son PS Troubadour, 1956 International Grand Champion Steer over all breeds. The spectacular tale of Troubadour's triumphs now belongs to history: how he won the supreme award of cattledom, brought the record price, traveled farther and was seen and admired, in person and on television, by more people than have ever before viewed any beef cattle celebrity. Other noted sons from Calrossie Troubadour's first crop of calves include Acadia Highland Classic, in service at Ohio State University, and Acadia Highland Prince, in service at Pennsylvania State University. Latest in the triumphant procession of Troubadours is Acadia Troubadour 35th x, the calf that was named grand champion bull of the 1959 National Polled Shorthorn Congress at the age of ten months. Five sons and twenty-three daughters of imported Calrossie Troubadour are featured in this sale.

Ohio State University bought a heifer bred to the \$25,500 imported Kinellar Napoleon for \$700 in the 1957 Acadia Sale. Napoleon Monarch, the resultant calf, won the grand championship of the 1958 Ohio State Shorthorn - Polled Shorthorn Show, and the reserve grand championship of the 1958 Ohio State Fair for the University. Think what a Napoleon calf could do for you!

***A few things you should know about . . .***

## **IMPORTED KINELLAR NAPOLEON**

Imported Kinellar Napoleon, \$25,500 Reserve Senior Champion and top of the 1956 Perth, Scotland, Show and Sale, has more than fulfilled the promise he showed when he was winning championships in the old country as a calf and a yearling. Now four years old, he has two great calf crops to his credit, and the early calves of his third crop look equally good.

With the other sons of the late great Gallant Marshal on both sides of the Atlantic, Kinellar Napoleon is making modern Shorthorn history. Ohio State University's Kinellar Napoleon calf out of a Hayard Monarch heifer purchased in the 1957 Acadia Sale, led off the 1958 American Show season by winning the grand championship at the 1958 Ohio State Shorthorn Show and the reserve grand championship at the 1958 Ohio State Fair, Acadia Napoleon 4th x, Kinellar Napoleon's first Polled son took first prize in the junior bull calf class at the 1958 International, in his show ring debut. On the other side of the Atlantic, Napoleon's only calf in Scotland, Kinellar Buttercup 11th, won the reserve grand championship for females at the 1958 Royal Show.

The 1959 Perth Show and Sale added new luster to Gallant Marshal breeding. Calrossie Diadem, top of the 1959 Perth Sale at 5,200 gns. and Reserve Junior Champion, is a son of Banchory Orangeman, that like Kinellar Napoleon, is by Gallant Marshal. The Junior and Reserve Supreme Champion, Napoleon, that sold at 3,500 gns. to New Zealand, is a son of the 5,000 gns. Tradlin Bertie, also by Gallant Marshal. Another of Calrossie's 1,000 gns. bulls was also by Banchory Orangeman.

Five sons and three daughters of the incomparable imported Kinellar Napoleon are featured in this sale, while twenty-four of the sale females carry his service.

### Imported Calrossie Torchlight

Now in service at Acadia is this great 4 year old. Where have you seen a pedigree so completely packed with the names of history-making sires? To Acadia he brings the perfect combination of Calrossie Welcome-Kirkton Baronet blood along with the equally perfect background of Marshall-MacGillivray breeding. Three heifers in this sale are by him, several others are carrying his service.

The \$25,500 Kinellar Napoleon, imported son of Gallant Marshal, is shown here with four beautiful heifers at Acadia Farms. Two of these heifers were sold in our 1957 sale to Vaughn Moore of Iowa and Ohio State University. Many others like them will sell in this sale.

and these are other  
great sires that have  
been in service at  
Acadia and at Deep  
Cove Farms in  
Nova Scotia —

Above: Hayard Monarch, reserve grand champion at the 1948 Royal Winter Fair, Toronto, and sire of countless champions. Carrying the best Killlearn bloodlines, he is senior stock bull in our Deep Cove Herd in Nova Scotia.

Left: Calrossie Sportsman, famous imported son of Millhills Champion that made a great record at Acadia Farms. He brought the best of Calrossie breeding to North America.

Acadia Sportsman 60th, grand champion bull at the 1955 Ohio State Shorthorn Show. By Calrossie Sportsman and out of Kildun Primula 2nd, he is a full brother to the grand champion female at the 1954 National Shorthorn Show. In service at Deep Cove Farms where his calves show tremendous promise.

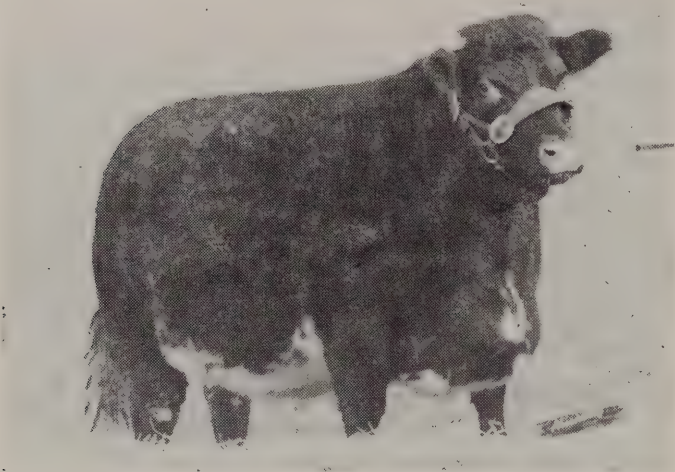

Ballathie Perfect, imported, sired calves at Acadia that proved sensational show ring winners and herd improvers. Sired by Calrossie Silver Mascot by Kirkton Baronet, his dam was by Ballechin Rodney.

Acadia Highland Prince, purchased by Penn State University in the 1957 Acadia Sale. Soon thereafter he was named reserve grand champion at the Ohio State Fair. Sire, Calrossie Troubadour.

Acadia Princess Cathy, many times champion daughter of Calrossie Sportsman. She was purchased in the 1957 Acadia Sale by Penn State University at \$3,700.

Acadia Highland Classic. This son of Calrossie Troubadour was purchased to head the great herd at Ohio State University.

Our great institutions of learning are among the most careful buyers of purebred cattle. Because Acadia productions have a record for making good, a liberal number of them have gone into university herds. Animals shown on this page are typical of the kind that have been purchased from Acadia by Penn State University and Ohio State University.

Before the 1957 Acadia Sale, Penn State's Herman Purdy called the attention of Ontario's Katherine Merry to the good head of Acadia Highland Prince.

Calrossie Diadem, top of the 1959 Perth sale at 5,200 gns. and reserve junior champion, is a son of Banchory Orangeman, that like Kinellar Napoleon, is by Gallant Marshal. The junior and reserve supreme champion, Napoleon, that sold at 3,500 gns. to New Zealand, is a son of the 5,000 gns. Tradlin Bertie, also by Gallant Marshal. Another of Calrossie's 1,000 gns. bulls was also by Banchory Orangeman.

## KINELLAR NAPOLEON . . .

**Closely related to 1959 Perth stars.**

***From the March 1, 1956 issue of The Shorthorn World***

From one of the most spirited bidding battles in the 41-year-history of the famed Perth, Scotland, Shorthorn Show and Sale, Cyrus Eaton's Acadia Farms of Northfield, Ohio, emerged the winner and new owner of Kinellar Napoleon, \$25,500 top-priced reserve senior champion of the 1956 auction. Runnerup for the Napoleon bull was Willie MacGillivray, bidding on behalf of his own Glastullich herd and his father's Calrossie herd. Prominent among the score of other eager contenders were the Anderson brothers of Burnton, Kair and Morphie, and Duncan Stewart of Millhills. The ringside consensus was that Napoleon wears the best head seen at Perth in many years, and that his rugged bone, short legs, depth of body, thickness and fleshing are the perfect match for his wealth of character, so that Scottish breeders were reluctant to let him go to an overseas buyer.

"Kinellar Napoleon — won championships at four major shows in Scotland in 1955, to parallel closely the phenomenal calfhood record of his three-year old sire, Gallant Marshal, favored by expert Scottish cattlemen as a prospective leading herd sire ever since his spectacular debut on the show circuit as a calf in 1953.

"Gallant Marshal's early promise was more than fulfilled by the 1956 performance of his sons at Perth for breeder-owners Sylvester Campbell & Sons of Aberdeenshire. In concededly one of the strongest Perth bull shows of all times, entries by Gallant Marshal won three first prizes in individual classes, took the reserve senior and reserve junior championships, and then went on to sweep the groups by capturing the Auctioneer's Cup for best three bulls, the Pittodrie Cup for best three bulls by same sire and the Lovat Cup for best five bulls, in rapid succession. The five high-selling sons of Gallant Marshal at Perth realized \$71,700, for an average of \$14,340."

**The Acadia Type  
is keyed to  
the future . . .**

The beef cattle business is one of this meat-eating nation's most basic industries. Those of us who raise purebred and registered breeding stock hold the responsible position of fabricating the machine tools upon which the commercial men must rely to raise the quality of their mass product. Purebred breeders face a constant and exciting challenge to improve their standards so that the level of the entire industry may be lifted ever higher. How well Acadia is meeting these demands you may judge for yourself in person on May 16th.

Acadia Highland Classic, now heading the herd at Ohio State University, and Acadia Highland Jubilee x, purchased in the 1957 Acadia Sale by L & L Farms, Dothan, Alabama. These two oldest sons of Calrossie Troubadour created tremendous interest at the 1956 International, where they stood well up in the junior bull calf classes of the Shorthorn and Polled Shorthorn shows, while P S Troubadour, by the same sire, was being crowned International Grand Champion Steer Over All Breeds.

***Have you noticed that the footnotes in this catalog deal only with the pedigrees? Acadia is perfectly willing to accept your judgment as to the individuality of each animal. We could describe all of them in glowing terms because they all seem to show wonderful promise. However, it's your opinion that counts . . . and we don't believe you will be disappointed.***

And now comes the parade of sale cattle, individuals we are proud to offer under the name and guarantee of Acadia Farms.

**Acadia Troubadour 33d**

By the sire of champions, imported Calrossie Troubadour, and out of a Calrossie Sportsman dam closely related to the dam of Acadia Troubadour 28th, first prize junior calf at the 1958 Canadian Royal Winter Fair, and Acadia Butterfly Charm 5th, 1957 Canadian Royal reserve junior champion female. Here is another three-quarter brother to PS Troubadour, 1956 International Grand Champion Steer over all breeds. Note the combination of the best Calrossie bloodlines with the highly prized Bapton Commando breeding.

In front of the new barn at Acadia, owner Cyrus S. Eaton admires a few of the Acadia-bred heifers, all closely related to animals selling on May 16th.

The \$25,500 Kinellar Napoleon shown with three females that sold in the 1957 Acadia sale, all by Calrossie Sportsman, he the sire of the dam of the International grand champion steer, P S Troubadour. These heifers averaged \$1,825 and sold to breeders in Maryland, Pennsylvania and Virginia.

**Because Acadia type has been acclaimed the most perfect type for others to follow and because Acadia bloodlines provide greatest assurance of proper type, breeders everywhere will be watching the 1959 sale. Every buyer will be envied, every animal will be followed, and the future productions of these animals will be in demand. This is an OPPORTUNITY SALE. Will you take advantage of it?**

Canadian Prime Minister Diefenbaker proudly demonstrated his prowess as a cattleman when he posed at the halter of PS Troubadour at the 1957 Canadian National Exhibition. The Prime Minister flew from Ottawa to Toronto for the express purpose of seeing for himself the perfection of the Acadia-bred 1956 International Grand Champion Steer over all breeds.

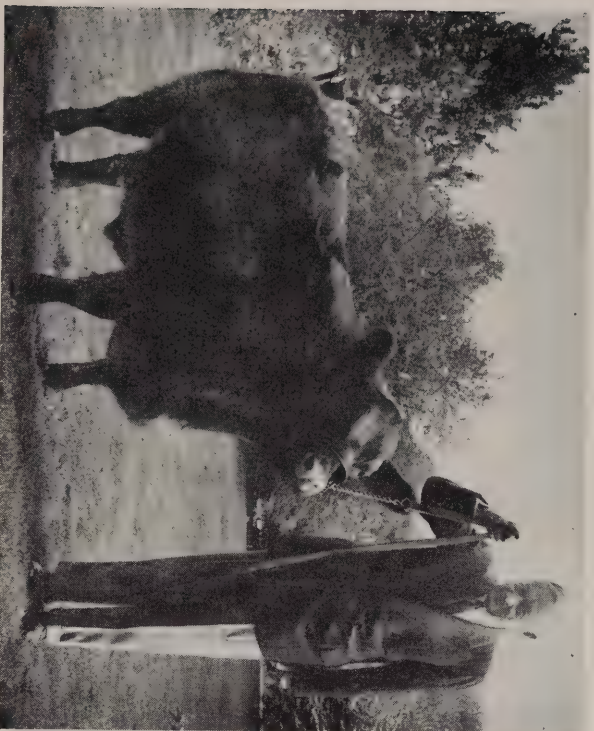

PS Troubadour, Acadia-bred 1956 International Grand Champion Steer over all breeds, admires his own picture held by Mrs. Cyrus Eaton. Don Hutzel is at the halter, while Mr. Eaton watches with interest.

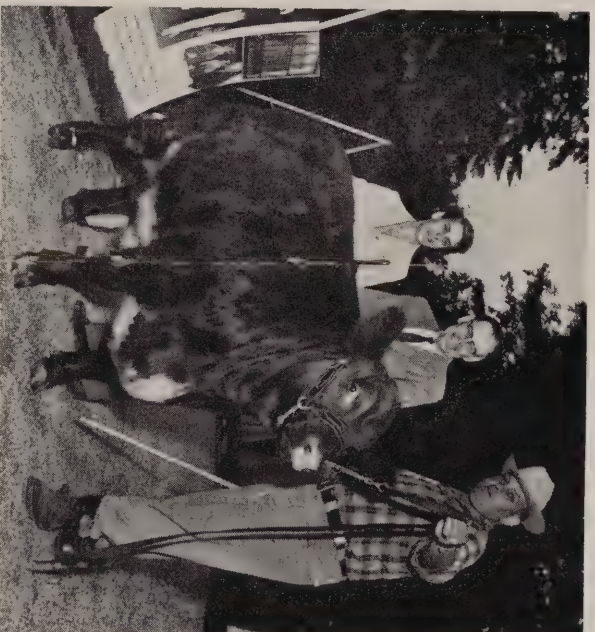

President Eisenhower joined PS Troubadour's legion of admirers when Betty Royon took the King of Beef to Eisenhower Farm at Gettysburg, Pa., for a command appearance. This visit marked the opening of the Acadia-bred 1956 International Grand Champion's second international grand tour in mid-1957.

***These pictures covering highlights of the life and travels of P S Troubadour appear in this catalog because:***

- 1. He was bred at Acadia Farms.**
- 2. The blood that produced him is a feature of this sale.**
- 3. He represents the true Acadia type.**
- 4. He is the greatest steer in beef cattle history.**

Before the 1957 sale Acadia owner Cyrus Eaton proudly posed Acadia-bred PS Troubadour, 1956 International Grand Champion Steer over all breeds.

On the eve of the 1957 sale Acadia Vice President Betty Royon and Oklahoma State University Vice President Al Darrow smilingly admired Acadia-bred PS Troubadour, 1956 International Grand Champion Steer over all breeds, while Henry Gruber of New Tripoli, Pa., expertly posed the King of Beef.

### **Panel Lavender Loudon**

By imported Kirkton Gambler, top of the 1950 Leveldale Sale, and out of an imported Bertie Marshall Lavender cow. Kirkton Gambler sired the \$7,500 Leveldale Profile and is a full brother to Kirkton Eureka, sire of the Mathers' famed show heifer Leveldale Crocus that produced the \$19,000 Leveldale Custodian.

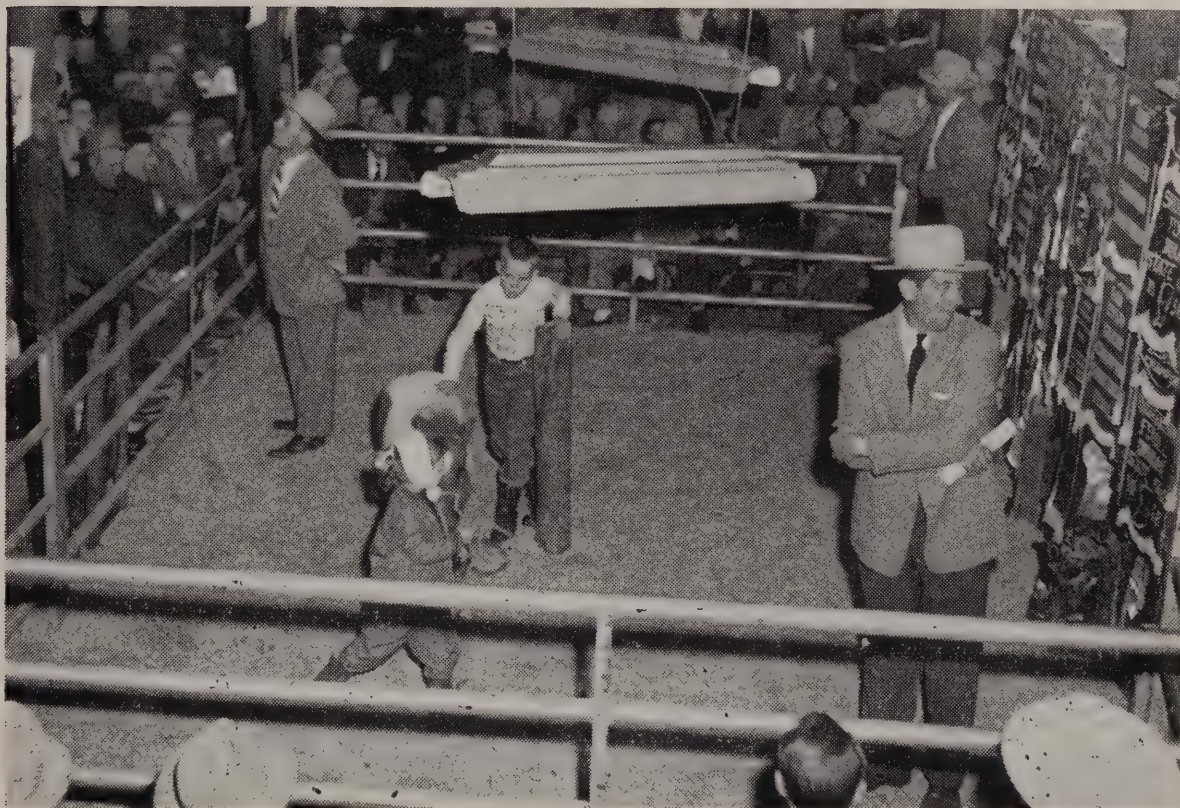

Bred to the incomparable imported Kinellar Napoleon.

There's lots to see at Acadia and a trip to this sale will be something you will never forget. Come early! Spend Friday afternoon, May 15th, inspecting the Acadia Herd. Study the methods used in producing champions. Then buy to the limit of your resources on Saturday, May 16th. These are the kind upon which successful herds are founded.

Here prize Shorthorns are being paraded before some of the 600 city and farm folks attending Cyrus Eaton's breed-promoting Cattle Round-Up at Acadia Farms, Northfield, Ohio.

Going through the Leveldale auction ring is the stallion pony which Les and Gene Mathers donated to the National Lassies. The pony brought \$400 but Acadia Farms, Northfield, Ohio, the buyers, gave the Lassies a check for \$500. The pony's name is Little Mr. Shorthorn and he took up his residence at Acadia as soon as he was old enough to leave his mommy. The Eaton grandchildren and Betty Royon's niece and nephew are in charge of his care and training.

Three years ago, the Acadia-bred bull Acadia Sportsman 45th, by Calrossie Sportsman and out of the same dam as Acadia Charity, Lot 29 in this sale, was exported to Soviet Russia. The picture at the left shows him as he looked in the Ukraine a year after his arrival.

In recognition of his service to Soviet Agriculture in making Acadia Sportsman 45th available for the improvement of beef cattle in Russia, the Soviet Government made a gift to Mr. Eaton of the Troika shown below. The Troika, which will be on display on sale morning, consists of three matched white stallions of the Orlovsky breed.

**We produce the  
blue ribbon kind at  
DEEP COVE FARMS  
in Nova Scotia too —**

Left: Deep Cove Scottish Monarch 2nd, grand champion, 1954 Maritime Winter Fair, grand champion in 1954 at Tri-State Fair and reserve senior at Kentucky State Fair. Used successfully at Acadia before he was bought by West Kentucky Coal Company.

Left: Deep Cove Scottish Monarch 3rd, grand champion bull, 1954 and 1955 Maritime Winter Fairs, reserve senior champion, 1955 Royal Winter Fair. Sold at \$2,675 in the International Congress to H. A. Kraft, Correll, Minn.

Few bulls can boast the continuous record of champion sons at the same major show that belongs to Hayard Monarch, senior sire at Deep Cove. He himself was reserve grand champion at the 1958 Canadian Royal Winter Fair, Canada's greatest. He has been called "the best bull of any breed that has ever been in Eastern Canada." He has founded a dynasty unrivaled in Maritime agricultural history.

Deep Cove Scottish Monarch 3rd was named grand champion of the Maritime Winter Fair, eastern Canada's major annual show, in both 1954 and 1955. He won this award over some mighty heavy competition. He is a full brother to Deep Cove Scottish Monarch 2nd, grand champion of the same show in 1953, and full brother to Deep Cove Scottish Monarch, reserve grand champion of the 1952 show. Another half brother by Hayard Monarch was grand champion in 1952, another won this supreme award in 1956, and two others were named reserve grand champion and reserve junior champion in 1957, while another Deep Cove entry, Acadia Sportsman 60th, was winning the grand championship.

The Maritime Winter Fair was suspended in 1958 because the arena and cattle barns had been destroyed by fire. When this important show resumes in 1959, Deep Cove Farms will again be vying for the championships.

This sale contains

### THE VERY BEST

of imported breeding —  
of herd bull material —  
of foundation females —

The pictures shown on this page were taken at the 1957 Acadia Sale.

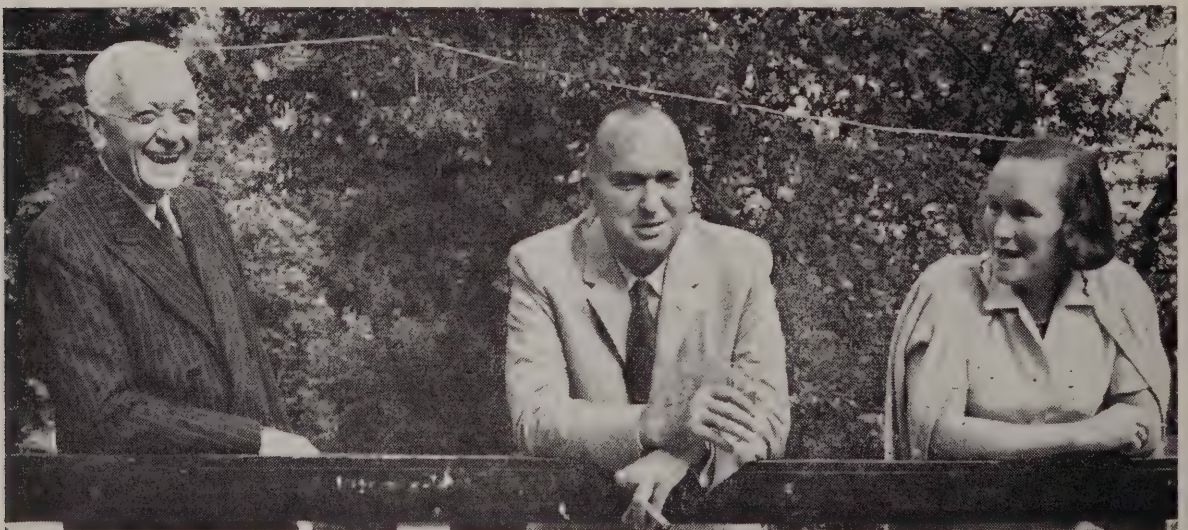

The Frank Scofields of Austin, Texas, were welcomed with a warm handclasp by Acadia owner Cyrus Eaton when they arrived at the Ohio farms the afternoon before the sale.

Acadia owner Cyrus Eaton (center) listened intently as ace reporter Helen Waterhouse of the Akron Beacon Journal interviewed Les Mathers, better known as Mr. Short-horn, on his arrival at Acadia from Mason City, Illinois, a day ahead of the sale.

After the sale Jim and Lois Wells of Pancake Ridge Farms happily took possession of their new \$5,200 heifer, Acadia Jealous Cathy by imported Calrossie Troubadour.

Acadia owner Cyrus Eaton enjoyed leaning on the fence and chatting with guests Winston and Nancy Lawless of Lake Alfred, Florida, the afternoon before the sale.

Left: Cyrus Eaton, Chairman of the Board of the Chesapeake and Ohio Railway and owner of Acadia Farms, shows his son, Cyrus, Jr., a few of the many ribbons won by Acadia Farms in major Shorthorn competition.

Right: Cathy, the daughter of Cyrus Eaton, Jr., "Grandpa" (Cyrus Eaton), and Mary Elizabeth, daughter of MacPherson Eaton with a group of calves by Hayard Monarch and Acadia Sportsman 3rd in one of the beautiful Deep Cove Farms pastures overlooking the Atlantic Ocean on the south shore of Nova Scotia.

Left: Hon. Robert Winters, Canadian Minister of Public Works and Mr. Cyrus Eaton, with two of Acadia's three first prize winners, Deep Cove Scottish Monarch 3rd and Acadia Primula 3rd, reserve junior champion female, at the 1954 Canadian Royal Winter Fair. This picture was taken the evening that the Governor General of Canada, Hon. Vincent Massey, awarded the coveted prize known as the Queen's Guineas, hence the formal attire.
